Scully, Scott, Murphy & Presser, P.C. Names New Associate

Electrical and Computer Engineer Joins Patent Law Firm

Garden City, NY -- Scully, Scott, Murphy & Presser, P.C., a leading Intellectual Property Law firm, has announced that John Vodopia, an Electrical and Computer Engineer, has joined the firm as an Associate. Prior to joining Scully Scott, Vodopia was employed by Philips Electronics.

"We're very pleased that John Vodopia has joined Scully Scott," said Paul Esatto, Senior Partner at Scully, Scott, Murphy & Presser, P.C. "His training and experience in the fields of Electrical and Computer Engineering will enhance our already successful practice in those areas." Esatto added, "Vodopia is a strong addition to our deep technology team. He'll help us to meet the strong demand for our legal services."

Vodopia is experienced in patent litigation, patent licensing, patent portfolio work, and patent appeal work before the U.S. Patent and Trademark Office Board of Patent Appeals and Interferences; with technical expertise in medical imaging systems, picture archiving and communications systems (PACS), computer-aided diagnostic (CADx) systems, complex electronic and Internet-related systems and business methods.

Vodopia received his BSEE in electrical and computer engineering from Polytechnic University and his J.D. degree from the New York Law School.

Vodopia is admitted to the N.Y. and N.J. State Bars, the Eastern District of N.Y., the District Court in Newark, N.J., and the N.Y. State Court of Appeals. He is registered to practice before the U.S. Patent and Trademark Office (USPTO) and is a member of the International Patent Organization (IPO).
